

Image1

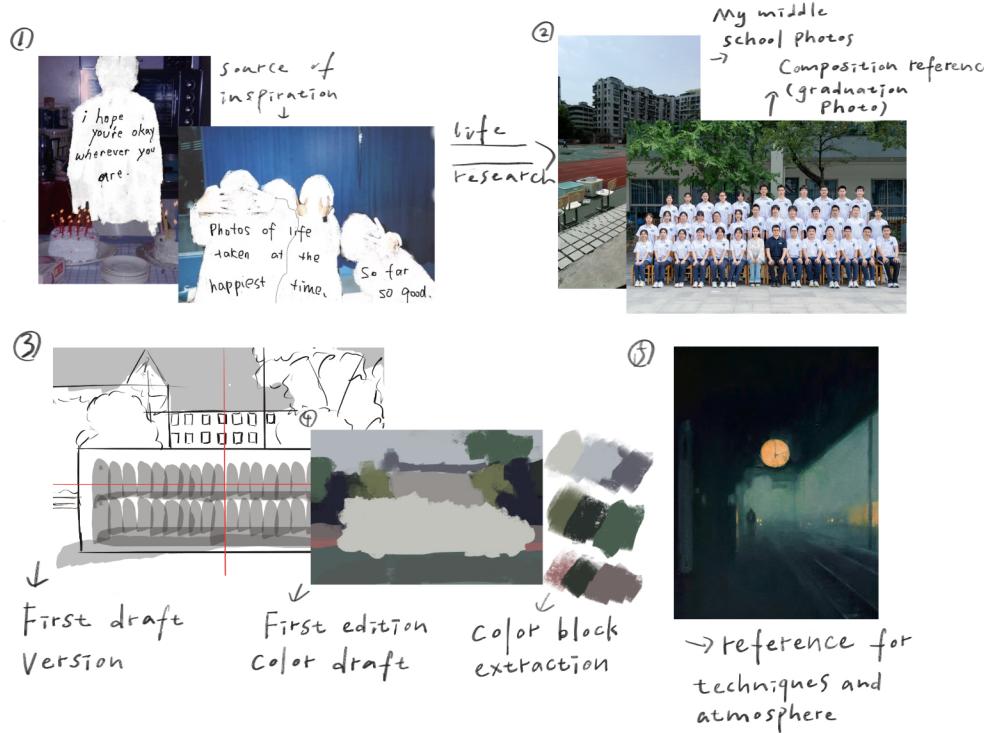

Material: iPad Procreate

Process: Group photo at graduation

The main characters are isolated using different painting techniques, representing loneliness.

Image2

Materials:
iPad procreate

Process:
I looked for reference pictures with darker tones, which could better highlight the difference between the characters and their surroundings.

Image3

Process: iPad Procreate

Process: A girl sitting alone in a corner of the classroom is depicted through the use of tonal contrast to convey her loneliness.

Image4

Material: iPad Procreate
Process: Expressing loneliness through cold-toned color blocks and a compact composition.

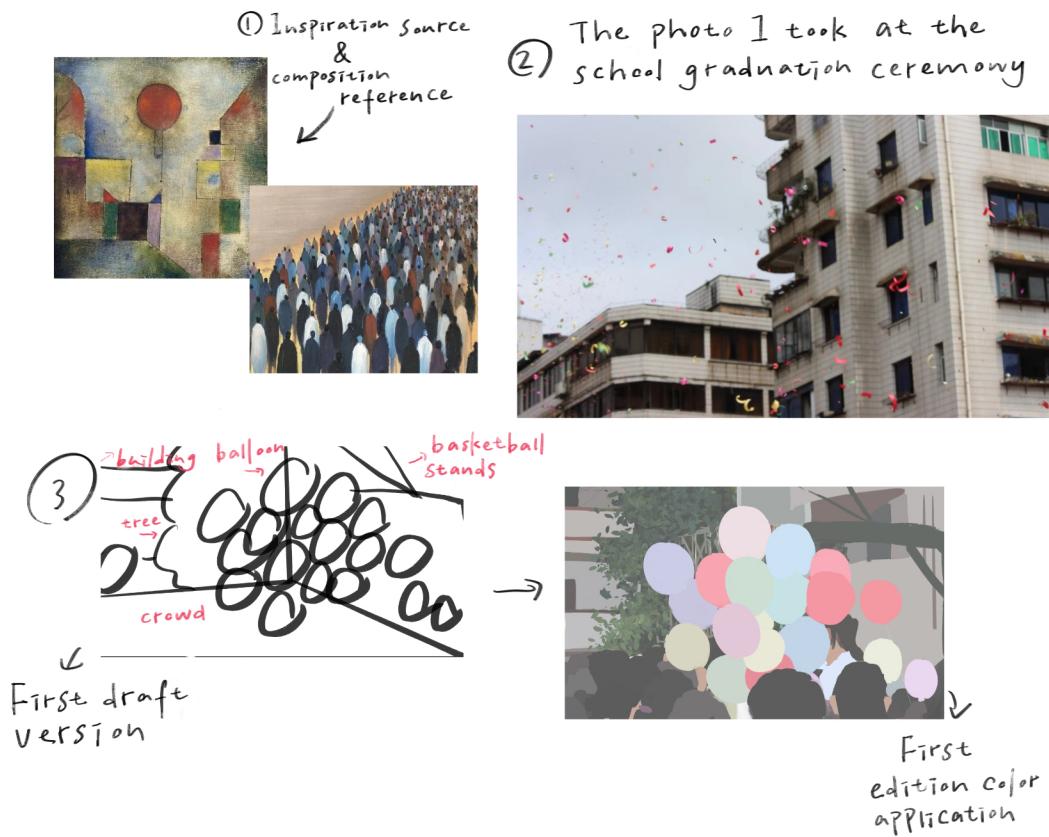

Image5

Material: iPad procreate

Process: Represent loneliness with different tones and shapes.

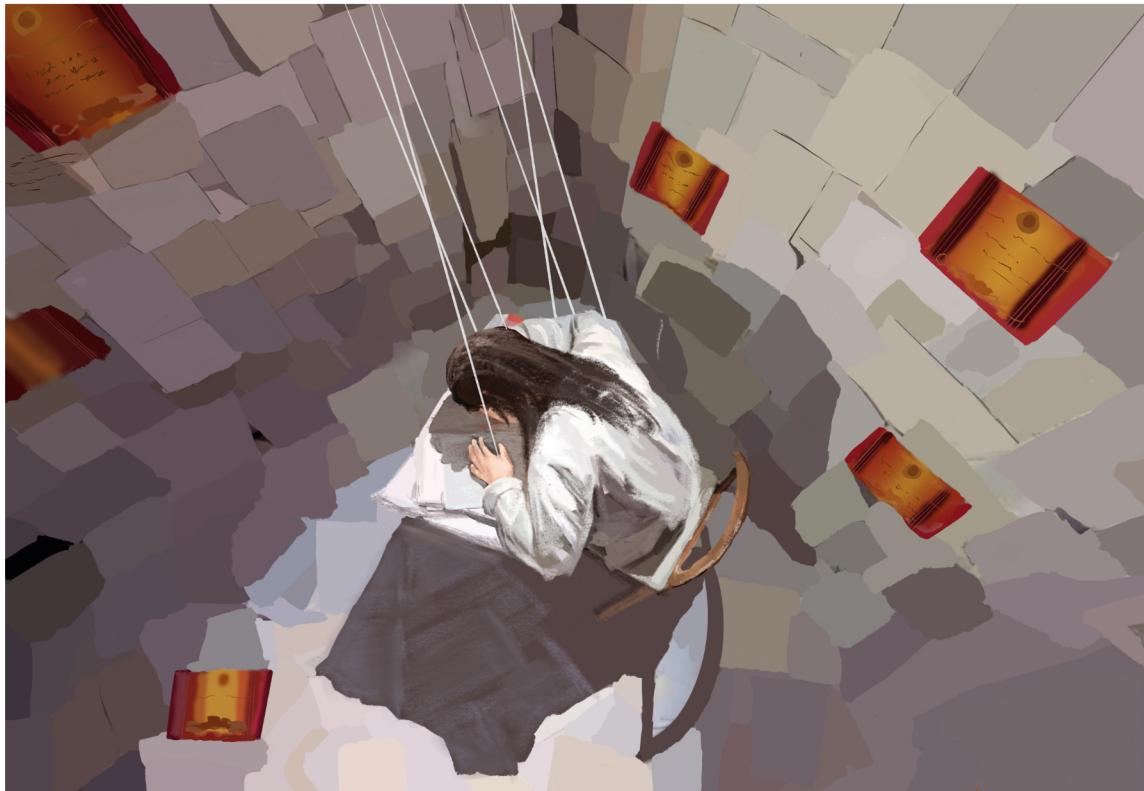

Image6

Material: iPad Procreate

Process: Restored the background to a school setting and changed the shape of the balloons.

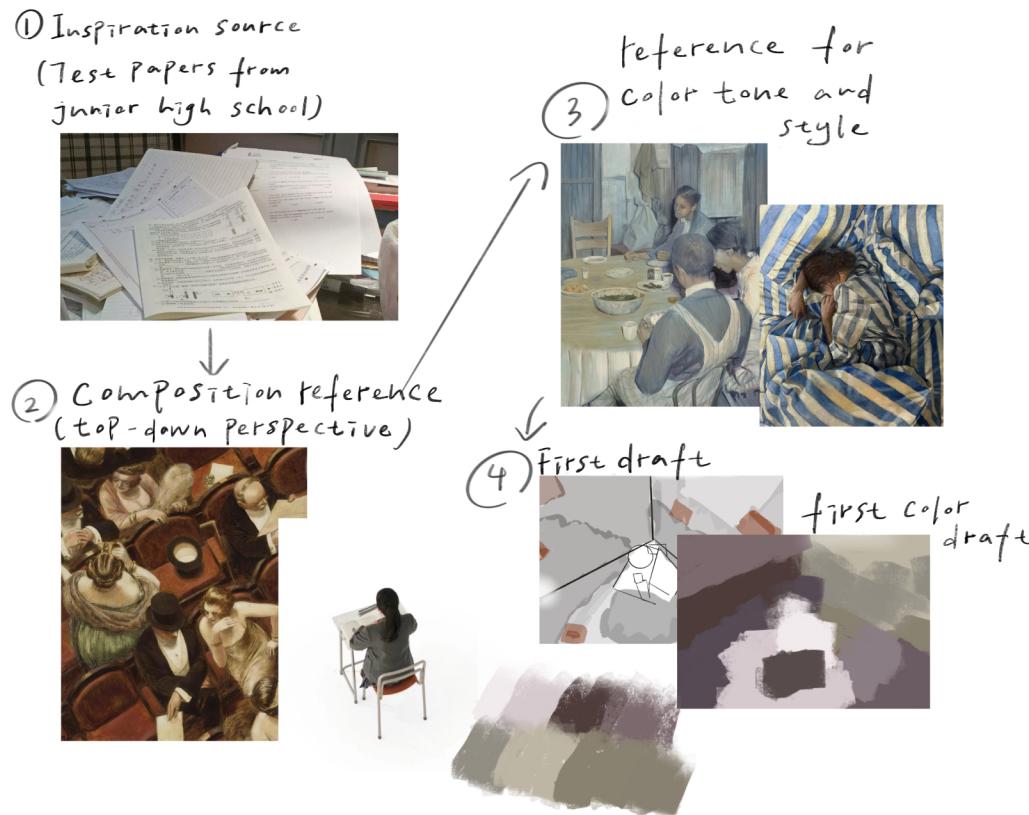

Image7

Material: iPad Procreate

Process: A girl is doing exercises in a confined space filled with test papers. The scene is presented from a top-down perspective to convey a sense of oppression and loneliness.

Image8

Material: iPad Procreate

Process: Integrate the elements of the test paper into the scene.

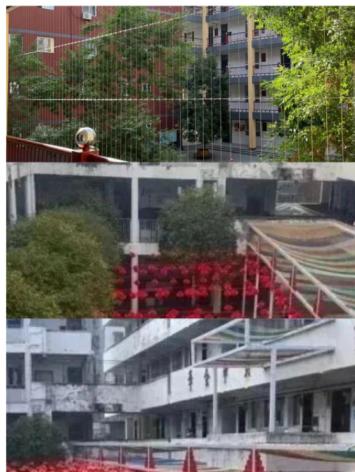

Image9

Material: iPad Procreate

process: A comparison between free flocks of birds and lonely, restricted girls.
